Before You Listen

Why the creed(s)? This Podcast is Twofold

- 1 History of the Creed
- 2 Discussion of the "Right Hand"

While You Listen

The Creed is a quick and dirty summary of what the Bible teaches. It was initially conceived to help the Gentiles who were not familiar with scriptures of any kind and firstly stemmed from arguments about Jesus being fully God, fully man, or both.

After You Listen

- 1 You will conclude that both - the reason for the creed and this particular clause/article-are key to our understanding of the cross and what it accomplished.
- 2 The right hand in many ways is the most important because **IT IS THE GOSPEL**

WHAT DID YOU LEARN?

The creed was 500 years in the making.

WHAT DID YOU LEARN CONTINUED

Liturgy means “public work” --it literally first meant “street cleaner”.
Liturgy is a public work of the body of Christ - gathered around the body and blood of Jesus Christ.

Congregations are evidence that Jesus has risen.

The right hand = hand of mercy

The right hand = hand of forgiveness

When He is at the right hand He is our high priest and our mediator

The left hand is the “sinister” hand - the hand of judgement.

When Jesus is at the right hand of the Father, the Father looks at us and our sin and only sees Jesus.
Jesus became sin for us.

He offers Himself day and night

WHY IS THIS GOOD NEWS?

The Right Hand is the Gospel. It is proof that Good Friday and Easter worked! His resurrection from the dead and ascension to the Father means that the Father accepted His sacrifice on our behalf. It's the Father's complete stamp of approval. Jesus' work was successful.

JESUS BECAME SIN FOR US.
